As part of the violence prevention efforts, Mukira and Consejo Ciudadano de Seguridad y Justicia de Chihuahua (CCSJ) joined forces and signed a collaboration agreement.

In order to compliment the beginning of the "We believe in you" program in Delicias, Chihuahua. The program was presented to the director of CAPA, ICHEA and CEPAVI in the city, to formalize the alliance and coordinate joint efforts in the work with participants. From the last meeting with DSPM, we highlight the possibility of opening a group of participants with youth that have police record.

Good practices and teachings throughout the implementation of reentry programs were shared in a conference call between personnel from CCSJ and Reinserta.

As a result of the collaboration agreement between Mukira and CCSJ training and good practices were exchanged. With this, both organizations were strengthened by acquiring the theoretical bases for the programs they implement. CCSJ shared the Pedagogic Care through didactic teaching theory and Mukira carried out workshops on culture of lawfulness, institutions and human rights for the youth.

The first one-day soccer tournament was carried out in CERSAI #3, as part of the conclusion of the human development workshops and the promotion of sports and recreational activities.
