## Relevant Activities

### Cuauhtemoc Reinsertion Commission Meeting and Training

Two important activities took place during this fortnight in the city of Cuauhtemoc. The first was an introductory workshop on Care Pshychopedagogy imparted by CCSJ to employees of the institutions that participate in the Reinsertion Commission. The second activity consisted of the monthly Commission session. It's important to mention that all Business Chambers' presidents in the region attended (CANACO: Chamber of Commerce; CANACINTRA: the Industrial Chamber; and FICOSEC).

### Cd. Juarez Reinsertion Commission

During this session in Cd. Juarez the urgent need of a strategic planning emerged; it was recognized as essential the participation of all actors in the decision-making process and to establish the contributions that each participant will make in order to achieve a successful reinsertion of people in conflict with the law in the region.

### Chihuahua's Multisectoral Group Meeting

The Citizen's Council participated in the monthly meeting of this joint strategy of JPV/USAID as a mechanism to create and consolidate public policies for crime prevention and human security in the city of Chihuahua.

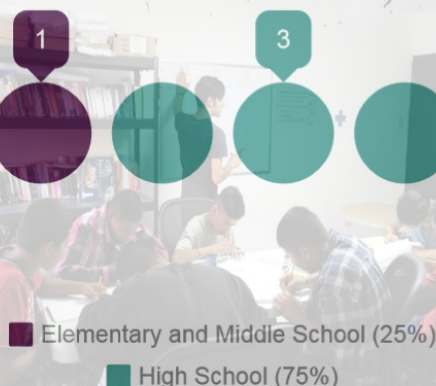

### Volleyball Workshop

A former professional player gave a volleyball workshop to our participants in Chihuahua from the 12th to the 16th of June. Besides teaching the sport's techniques and rules, it motivated the adolescents to participate in a more integrated, cooperative way, and helped improve their integrative bodywork.
