RECREATIONAL ACTIVITIES

Visit and Swimming Lessons in a Water Park

One of the sports activities that CCSJ offered to the participants was the visit to a local water park that took place on May 17th.

The staff also organized several activities such as volleyball, football, and water polo; these were aimed to reduce anxiety levels, favor and strengthen social bonds and offer fun activities that help improve their mental health.

Visit to the annual regional fair

CCSJ Chihuahua in coordination with the Institution for the Family Development and Wellbeing organized a guided visit to the annual traditional fair "Santa Rita" and the Horse Fair 2017. The visit took place on May 24th and a conference about The Psychology of Horses was received which is based on the deep-rooted relationship between human race and horses along history.

Later, a guided visit through the Horse Fair was given, which ended on a petting zoo and finally the amusement park rides.
