DELIVERY OF GROCERIES TO FAMILIES

Citizen Council was given the task of supporting the families of the Creemos en Ti program participants with groceries since these families were affected by unemployment or were left without an income as a result of COVID-19. These foodstuffs were collected to continue distributing them as far as possible and at the same time to continue creating the link to their support networks, taking the necessary preventive measures in the current situation.

POSTERS TO RAISE AWARENESS ABOUT COVID-19

United to the cause, CCSJ Juárez decided to work together with the participants of the Creemos en Ti program and their families to make posters that include the prevention measures they are taking for the COVID-19 contingency. This activity was carried out from their homes.

ONLINE WORKSHOPS FOR PARTICIPANTS

Online drawing and physical activation workshops have been held for the participants of the Creemos en Ti program in Ciudad Juárez. During the drawing workshop, they were taught and showed basic techniques to make a drawing with a pencil or pen, while the physical activation workshops consist in several exercises' sequences.

"GIVE TENNIS SHOES" CAMPAIGN CONTINUES

Citizen Council's commitment continues, that is why they took on the task of donating shoes to five participants of our Human Growth Workshops within the Social Reintegration Center for Adolescent Offenders No.1 (CERSAI # 1) and thus helping them carry out their physical activities with dignity.
